

Hi from the FOILS team!

Jo M
Chair

Hi I'm Jo,

My sisters and I attended Ivy Lane and my dad used to be the site manager. I joined FOILS to give back because the school has given me so much over the years.

My daughter has just left Ivy Lane for secondary school, my son Xander is in Y5 and my nephew Ethan is in Y3.

I work as a product manager in apprenticeship qualifications, specialising in assessment development. I was also a parent governor at Ivy Lane for 5 years.

Hi, I'm Laura,

For the past few years, I have actively supported FOILS by volunteering at events. I see FOILS as a crucial part of our school, it raises funds that benefit students and staff, allowing them to participate in extracurricular activities and educational opportunities. I want to contribute positively and am excited to be a part of the Trustee team.

I manage the Estates and Facilities for 3 PFI hospitals. My responsibilities include handling finances, contract variations, managing invoices and providing financial reports

Laura
Treasurer

Hi I'm Teri (Tel!),

My children are in Y1 and Y5. I've joined FOILS as I love helping people and am a big advocate of volunteering and want to help promote the fantastic school community we have!

I'm a civil servant working as a User-Centred Design Community Lead in Digital, Data and Technology. I've also worked at charities and universities, in events and fundraising.

I love crafting and team sports, though have now swapped Ultimate Frisbee for netball!

Teri G
Co Secretary

Hi I'm Sarah,

My son is in Y5 and my daughter is in Y1. I joined the team because I love organising events and want to help create memorable experiences for the children of Ivy Lane.

I have a background in marketing and product development, including educational products for children and I love creating STEAM projects with my kids, from crafts to chemistry.

Sarah M
Co Secretary

Hi I'm Vicky,

I wanted to join FOILS because I love organising things and helping people!

I have two sons, one in Y4 and one in Y1.

I am a Business Analyst working in IT in the insurance industry. I love being outside, whether it be walking or gardening, I also enjoy rock climbing, snowboarding and surfing when I get the opportunity!

Vicky P
Trustee

Welcome to our new committee members!

Hi I'm Kirsty

My son is in Year 1. I work as a rotational jeopardy co-ordinator within the water industry

I grew up and schooled in London and my school didn't have anything like this, so seeing the activities and opportunities that FOILS provide, which includes everyone no matter the background is just amazing.

I wanted to be a part of something that leaves no child behind - every child deserves to create memories

Kirsty R
**Social Media
Coordinator**

Hi I'm Joe,

My daughter is in Y4. I've joined because I've seen the massive difference FOILS makes to the school community, and wanted to lend a hand.

I am a technical lead for data analysis in flood risk management, and I enjoy doing anything creative and geeky!
